Joyce,

That is what I thought we should be good.

Thanks TJK

Subject: Re: Reactive sulfides lab test holding time

Not sure what you need from me. Just wanted to let you know your archived samples are probably past hold time for reactive sulfides. If you need new samples, now is the time to collect them.

Tobi,

Please let Sarah know when we are going to test pit MW-2 area so they may be able to get a look.

Jackie, Please pull additional sample bottles so we can show Waste connections what we are looking at especially if we have odors.

Thanks TJK
